Why this Annual Report?

As per Prevention of Sexual Harassment Act, 2013, there are 2 reports to be submitted by the employer:

1. It is the duty of the ICC to submit an annual report, which includes the number of cases filed/disposed of every calendar year to the employer and district office.

2. The employer has a statutory obligation to ensure this report is included in the annual report of the organization filed to the Registrar of companies.

Extract of the act below

As per the Act – “(l) The Internal Committee or the Local Committee shall in each calendar year prepare, in such form and when may be prescribed, an annual report and submit the same to the employer and the District Officer.

(2) The District Officer shall forward a brief report on the annual reports

What do we need to submit in the Annual Report?

The Act mandates submission of an Annual Report by the ICC/LCC to the employer/District Officer. The District Officer will forward a brief report on the annual reports to the appropriate State Government. Such reports must include the following information:

1. No. of complaints received;
2. No. of complaints disposed of;
3. No. of cases pending for more than 90 days;
4. No. of workshops/awareness programmes carried out;
5. Nature of action taken by the employer/DO;

How do we find District Officers in our area?

Send a copy of the Annual report via Registered post and save the acknowledgement. Most of the states in India have appointed different persons like Collectors, Deputy Collector, District Magistrates, and Additional District Magistrates as District Officers.

If my state does not have a District Officer?

It has been noticed that many states have not appointed the District Officer. In such cases one can submit the mandatory annual report to the Chief Minister’s office and the Women and Child Development Department/Ministry as a safeguard.

If my organisation is based out of multiple locations then do I have to file multiple annual reports?

Yes, you will have fill annual reports in each and every location where you have more than 10 employees.
